## CONRAIL G47 GONDOLA

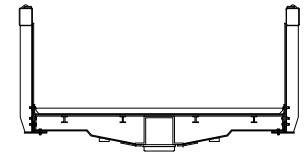

Lettering Diagram for Conrail Wood Floor Cars Kit #105.4

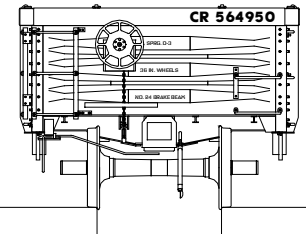

Some cars had the car numbers split into these two panels.  
(2 digits/4 digits) Car weight data shifted left one panel.

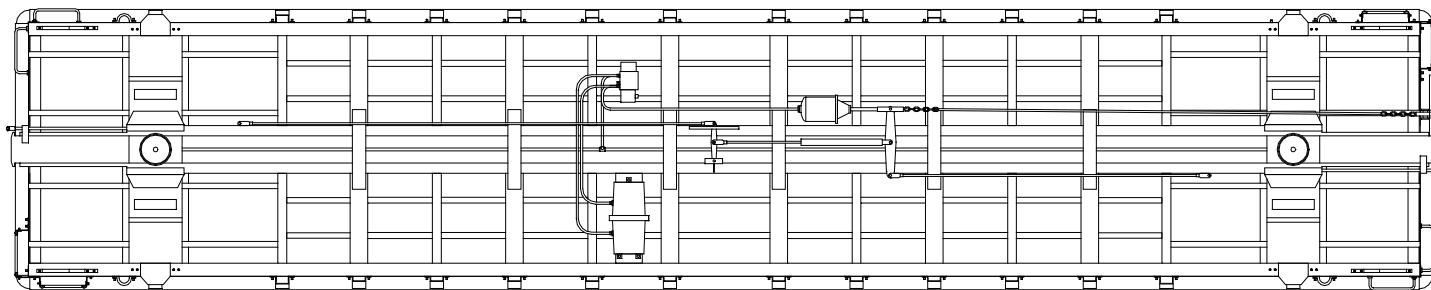

TRUCK OMITTED FOR CLARITY

SECTION AT BOLSTER

SECTION AT CROSS BEARER (LEFT),  
CROSSTIE (RIGHT)

Typical Conrail paint scheme. Certain lettering variations occurred depending on shops performing repaint. ACI labels not applied to cars repainted after 1978. 2 panel lube plates replaced by single consolidated stencil in the mid 80's.
